

Monday 1st June 2020

Please continue to access home learning when your child is not in school.

Spelling Quiz on Friday	Words containing the sound 'oa' (See separate sheet on web page) Make sure your child can read the words before you start attempting to spell them. If they're struggling then choose 5 to focus on.
English	Learning Objective: using phonic skills for writing https://www.bbc.co.uk/bitesize/articles/zdfr92p Follow the link to BBC bitesize for the English lessons. Our focus will be the basic skills in these daily standalone lessons. Please make sure your child is writing every day and email their work to me. Thank you.
Maths	Learning Objective: recognise, read and write numbers to 100 https://www.thenational.academy/year-1/maths/to-recognise-read-and-write-numbers-to-100-year-1-wk3-1 This link will take you to Oak National Academy for today's lesson.
TOPIC	To the Rescue! This term our topic title is ' To the Rescue '. We are going to focus on one of the emergency services and think about how it helps us now and look at it's history. This week I'd like you to research 'emergency services' - particularly ones that we might need in Cornwall. Start by having a brainstorm - how many can you name? Ask your family too. Write them down on a piece of paper so you have a list Over the week I'd like you to build up a fact file of pictures, drawings and information. Just one page on each emergency service is enough.

Bonds to 9 Quiz on Friday	All the number pairs that make 9. Try and help your child instantly recall these number facts by talking about them in different ways. <ul style="list-style-type: none">- I've got 5 ... how many more do I need for 9.- I've got 9 toys but 2 of them are hiding - how many are left?- Use 9 objects and play with them - hide some under a pot and ask how many are hidden. There's a fun worksheet on the webpage to support bonds to 9.
