

School Closure Plan – 6th and 7th December - Class: Buds Year 2

	Session 1	Session 2	Session 3	Ongoing Activities
<p>Monday 6th December</p> 	<p><u>Maths:</u></p> <p>Today we will be learning to add a single digit to a 2 digit number. Now remember some of you did this last week. So, this is a practise, can you use your number bonds to help you?</p> <p>Watch this video: Video 1 https://whiterosemaths.com/homelearning/year-2/week-7-number-addition-subtraction/</p> <p>Now you can use the worksheet but you don't have to print it out you could write down your answers onto a piece of paper.</p>	<p><u>English:</u></p> <p><i>Today we will be learning all about bossy verbs that we might find within instructions.</i></p> <p>Watch this video: Using bossy verbs to write instructions - Year 2 - P3 - English - Home Learning with BBC Bitesize - BBC Bitesize</p> <p><i>Now play the quiz.</i></p> <p><i>Make a poster with lots of different bossy verbs. I have attached a sheet but you do not have to use this. Plain paper will work well.</i></p> <p><i>What kind of instructions can you find at home?</i></p>	<p><u>Wider Curriculum:</u></p> <p><u>Geography:</u> Over the past few weeks we have been learning all about maps and sketch maps. A sketch map is a roughly drawn map that shows only basic details.</p> <p>Please watch the video https://www.bbc.co.uk/bitesize/topics/zqj3n9q/articles/zjd66v4 and now draw a sketch map of your home or your local area. Do you know the street names?</p> <p>Can you use any map symbols? I have uploaded a powerpoint that might also help you. Please see Alfie's on the class page as this might give you some ideas!</p>	<p><u>Spelling:</u> This week we are learning homophones; words that sound the same but are spelt differently and have different meanings. Please see the list on the page and practise these.</p> <p><u>Reading:</u> Please read either your book bag book or your reading for enjoyment book.</p> <p><u>Times Table:</u> Please log into numbots. Follow the link on the class page. https://play.numbots.com/#/intro</p>

<p>Tuesday 7th December</p> 	<p>Maths:</p> <p>Today we will be learning to add a single digit to a 2 digit number activity. Now remember some of you did this last week. Remember, can you spot bonds or near bonds?</p> <p>Watch this video: Video 2 https://whiterosemaths.com/homelearning/year-2/week-7-number-addition-subtraction/</p> <p>Now you can use the worksheet but you don't have to print it out you could write down your answers onto a piece of paper.</p>	<p>English:</p> <p><i>Today we will be continuing our learning all about bossy verbs that we might find within instructions.</i></p> <p>Today I would like you to read the instructions of how to make a pom pom hat. Which words are the bossy verbs? How do you know?</p> <p>Please find the bossy verbs.</p> <p>I have added a selection of instructions that you might like to follow and find the bossy verbs today.</p> <p>What did you like about the instructions? Were they clear to follow? We will look at command sentences when we are back at school.</p>	<p>Wider Curriculum:</p> <p>History: In school we have been learning all about 'The Wright Brothers' and the first ever powered flight.</p> <p>Use the powerpoint on the eschools page to work through. What do you know about the invention? What do you know about 'The Wright Brothers'?</p> <p>You could show your learning by drawing a picture of the 'The Wright Flyer' and add some key facts. You could record yourself explaining what you know or you could even build a plane at home.</p>	<p>Spelling: This week we are learning homophones; words that sound the same but are spelt differently and have different meanings. Please see the list on the page and practise these.</p> <p>Reading: Please read either your book bag book or your reading for enjoyment book.</p> <p>Times Table: Please log into numbots. Follow the link on the class page. https://play.numbots.com/#/intro</p> <p>Home Learning: I have added links to follow different instructions at home. Have fun following the instructions. If you have any from home, please send in your photos and we will add to our class page.</p> <p>Thank you all for your continued support. Well done Buds!</p>
	<p>The class email address buds@chacewaterschool.co.uk will be monitored throughout the day to answer any questions and to provide further support.</p>			

Unit 1: The World of the Future

Lesson 1: Introduction to the Unit

Section 1: The Future of Technology

Section 1.1: Artificial Intelligence

Section 1.1.1: The Basics of AI

Section 1.1.2: Applications of AI

Section 1.1.3: Ethical Considerations

Section 1.1.4: The Future of AI

Section 1.2: Robotics

Section 1.2.1: The History of Robotics

Section 1.2.2: Types of Robots

Section 1.2.3: Applications of Robotics

Section 1.2.4: The Future of Robotics

Section 1.3: Space Exploration

Section 1.3.1: The History of Space Exploration

Section 1.3.2: Current Space Exploration

Section 1.3.3: The Future of Space Exploration
