6 September 2019

Dear Parents,

A very warm welcome back to school and to all the new children and parents who have joined us this year. We are delighted to have 30 lovely Reception children with us and we hope you have a tremendous time over the years at Chacewater.

We have an action packed time ahead and at the end of the newsletter I have put all the key dates for your diaries including coffee mornings, harvest and Christmas! (I've even set Sports Day!) Our coffee mornings take place week commencing 23rd September and are a chance to support Macmillan, meet your class teacher and also other parents as well as checking out the classroom.

You will be receiving information over the next week about the learning taking place in your child's class including homework. This year from Year 1 to Year 5 we will be having a real focus on times tables very similar to spellings. Homework will be coming home weekly to support this and a booklet similar to the reading record will be there to help you support your child with the tables of the week. Following feedback last year, the 99 club is slightly changing and will be relaunched after half term.

Finally, I am delighted to welcome Miss.Laskowski to the staff who will be working as class teacher in Year 4. We also welcome "Tilly" our new school dog. Tilly will be with us from Monday to Wednesday and I know the children are very excited about meeting her. If your child has any allergies or fears please let me know ASAP. She is a cavapoo and the aim is for her to help support the children in their learning (something we have seen work very well in other schools.)

Clubs will start week commencing 16th September. They will **not run** the week before half term as this is Parent appointments.

Last but by no means least if any information relating to your child's medical needs has changed, please can you let the school office and class teacher know ASAP.

Have a great weekend,

Mr Gould
