Dear Parent

It has been another wonderful week of learning and enrichment of our curriculum linked to our School Development plan aims. On Monday the children were visited by the Cbeebies show "Rhyme Rocket." As well as developing their literacy skills the visitors then spent an hour working with our Year 5 and 6 children discussing what is involved in the making of a television programme. Today, we had a superb Assembly from Lt. Paterson about his role as a helicopter pilot and he presented the funds he raised for the school library.

On that note thank you for all your support with the Summer Fayre today and in particular to the Friends of Chacewater who have worked so hard.

Next week is Sports Day on Wednesday. A reminder that we start the team events from 10am in the morning and then in the afternoon are the races from 1pm. Please do join us on the recreation ground. The weather is supposed to be wonderful, so please remember children are to come into school in their PE kit and please bring hat, water and sun cream. Friday sees our Beach trip. Again, all looks set fair for a wonderful day.

Have a great weekend,

Mr Gould

**Transition Days** - These continue on Monday and I am delighted that all children had time to spend in their new classes. We will be introducing our next character supporting "Growth Mind-set" in school with the "Resourceful Crow." We will be supporting the children with how they can question, make links in their learning and build on what they know already.

**Parent Forum** - met last week. It was another really valuable meeting and all minutes are on the school website under "Parents." The governors held a working party this week to look at your feedback from the homework survey we sent out with parent appointments. Now we have collated responses, we can start to formulate and finalise plans for homework from September with this in light. There was also request again for a breakfast club. If this is something you are interested in, please see me so I can assess viability.

**KS2 Homework** - Your child is bringing home the song words for the Summer Show. The learning of these words will replace weekly homework.

**Beach Trip** - Please return consent forms and packed lunch choice menu (if desired) by Monday 25<sup>th</sup> June at the latest. Unfortunately after this date the kitchen are unable to provide the lunches.

**Helford River Children's Sailing Trust Holiday Courses** - Learn to sail single-handed with a Helford River Children's Sailing Trust's summer holiday course. HRCST's experienced, RYA-qualified Sailing Instructors work with small groups and adapt sessions to cater for all abilities - building beginners' confidence on the water and developing the skills of more experienced young sailors.

Aimed at 8-14 year olds, courses run from 30 July-30 August and cost £140 for a morning session and £125 for an afternoon session. Adult and individual lessons are also available on request. For further information. and course bookings see: [www.hrcst.org.uk](http://www.hrcst.org.uk) or phone 07555 785102.
