Dear Parents/Carers,

I do hope you enjoyed a lovely extended weekend last week. Please remember to book a parent appointment. They are now live on the eschools platform and if you need any help with logging on do not hesitate to contact the school office. Appointments will be by phone so please remember to ensure we have the correct number for you. There will be no after school clubs that week.

I also mentioned a few weeks ago that we will be holding some parent information sessions explaining what we will be covering in Sex and Relationships Education. We have decided to record these information sessions so you can access them at any time and then you will be able to email in any questions to your class teacher. The link will be put on a secure you tube channel and we will share this with you shortly.

Have a lovely, warmer weekend!

Mr Gould

**COVID 19** - we have had a nasty cold around this week. Thankyou to those parents who have used tests where they have been concerned. This has given us great piece of mind. A reminder if your child has a temperature you must undertake a COVID test as this is one of the key symptoms and this knowledge will help us avoid having to close school. Lateral flow tests can be sent away for or obtained free of charge from local testing sites.

**Mobile phones** - some children have started to bring these into school. Please can I remind you that they should only be in school if your child needs it for walking home/collection. All phones should be stored in the school office not in bags!
