

Chacewater C.P. School

Truro and Penwith
Academy Trust

7 May 2020

Dear Parents,

As ever we hope everyone is safe and well. There is still a great deal of uncertainty as to what the future looks like and we wait for Sunday for more information. At the time of writing we do not know anything about school re-opening but when we do, the school will be planning everything in relation to the Government advice. We are very fortunate to be part of the Truro Penwith Academy Trust and alongside the Council they have and will continue to help us in our planning.

Thankyou for all your continued hard work with the school work. Everyone is doing such a great job and I hope you enjoyed the teacher's messages this week.

A lot of learning has been linked to VE day this week and tomorrow we remember these events.

Best wishes to everyone ,

Mr. Gould

Mrs.Fox - as everyone should be aware Mrs.Fox is expecting a baby and her maternity leave starts from next week. I am sure you will join me in wishing her lots of luck and I will share any news with you as soon as we have it. As Year 2 parents will know, Mrs. Morgan will take over on a Monday to Wednesday till the end of the term supporting the class work with Mrs. Buckingham for the remaining days.

Free School Meals - apologies to parents in receipt of the vouchers but there seems to have been a delay in the system this week. I have emailed Edenred who deal with the vouchers to see what is happening. I have processed this weeks vouchers on Wednesday as usual and hopefully there will be no delay in them coming through. A reminder that if your circumstances have changed you can apply for Free School Meals support through the Council through the following link. <https://www.cornwall.gov.uk/schoolmeals>

School Camp refunds - as mentioned last week we are going to refund all parents for school camp but are just working alongside our insurance company as to how we can do this.

Additional resources to support home learning - on this link are all the government resources which have been published to support schools and parents with the home learning: https://www.gov.uk/government/publications/coronavirus-covid-19-online-education-resources?utm_source=9d0fa48f-cd64-4d55-b9f1-3c912a3df7a2&utm_medium=email&utm_campaign=govuk-notifications&utm_content=immediate
