

Chacewater C.P. School

Truro and Penwith
Academy Trust

29 March 2019

Dear Parents

What a busy week it has been - the trip to the Farm and Country Show on Wednesday was wonderful and the feedback from everybody was how great it was. As ever the children did the school proud with their behaviour.

A huge thank you to the Friends of Chacewater for all their hard work this week. The Ladies Night was a great success followed by the discos on Thursday. Today, it was the Mother's Day present room. Thank you for all your support.

Congratulations to Buds for a lovely Assembly - next week it is the turn of the Seedlings. Have a great weekend,

Mr Gould

Absence-  Please remember to report you child's absence to the School office by 9am on their first day of absence.

Sports News  - On Monday we played Devoran School in a Year 3 and 4 football match. It was a tremendous evening and lots of fun and although we narrowly lost both games we should be very proud of our efforts. Our netball team played against Tregolls School this week losing 2-6. The final league game will be next Monday starting at 4pm.

Music concert  - next Thursday from 2:30pm, please join us if your child is in Year 3, 4 or 6 for an informal concert. We will share some of the pieces we have been learning in school as well as children sharing pieces they have learned outside of school in their music lessons.

Term Dates  - As ever to support families with holidays, I am trying to give as much notice of next year's term dates. We return to School after Summer on Thursday 5th September.

Curriculum - there are proposals currently under consultation for a new Ofsted framework. As part of this there is a much greater focus on the curriculum - what our children learn. We have started to consult the children and I would be very interested in your views. I will be writing to parents about this next term.

- we are just at the point in the term where we start to look at the funding our school will receive next year. As you may be aware school budgets are under increasing challenge but due to the nature of the development of the school and additional work we undertake with other schools we are able to set a balanced budget for the upcoming year. This means that the school will continue to run as one form entry. Our governors discussed this week how important it is that there is effective transition for parents and pupils as they move into their new classes. Therefore, I am aiming to share who your child's class teacher will be after half term in May.

FOCS -  to everyone for all their fundraising efforts this month. Ladies night raised £408.25, Disco's £383.84, Mother's Day room £172.52. All profits for our school. Thank you for your continued support. Gemma and the friends.

Truro Tennis Club - Easter tennis camps running over the holidays, see poster for details or contact Ryan Fern ryantennis75@gmail.com tel 07814533087

Fun activities in Truro City Centre- Children's Day, Saturday 13 April - Fun in our great little city with in-store activities & offers, street performers, mountain biker Andrei Burton, have-a-go sessions & more.
