Academy Trust

26 March 2020

Dear Parents,

I do hope you are all surviving in these incredibly difficult times. Thank you so much for all the lovely messages that you have sent to the teachers. They have been working really hard to support you at home with the home learning. Please remember that if you have any difficulties please do email them. A number of staff have been in all week supporting our key worker children and will continue to do so over the Easter holidays.

There will be no work set for the next two weeks -however all teachers have put suggestions for work on their individual page that you can do over Easter.

I appreciate that for some your personal circumstances may have changed over this challenging time. If you feel that your child may now qualify for Free School Meals then please see this link www.cornwall.gov.uk/schoolmeals . Whilst school is closed during term time we are aiming to still support our children in receipt of Free School Meals with a voucher scheme - we are still waiting for the government to give us information as to how this will work.

There will be no newsletter for the next two weeks - however if you need anything please do not hesitate to email me - head@chacewaterschool.co.uk

Best wishes and stay safe,

Mr Gould

Government Guidance

Staying at home and away from others (social distancing)

The single most important action we can all take, in fighting coronavirus, is to stay at home in order to protect the NHS and save lives.

As an Easter activity:

Stage 1

Stage 2

Stage 3

Look at this pattern.

What fraction of each is white?

What fraction of Stage 4 would be white?

What fraction of Stage 10 would be white?

What would Stage 0 look like?

This pattern is called Sierpinski's Triangle.

Purple Mash guidance in the event of school closure.

Your child will have a purple mash card on it will be:
the website to search for, their name, username and
password.

There will be work set for them in the 2Do section.

2Dos

When they complete their work they are to save it and if they are happy they have finished then they can save, exit and 'hand in' from their 2do section. If they don't finish and want to continue it at another time they just exit and save.
