Dear Parents,

What a lovely first full week we have had back and how great it is to see our Reception children settling into school life. I have been so impressed with what they have achieved in a week! The whole school celebrated Roald Dahl day on Thursday which was great fun sharing stories and activities of this marvellous author.

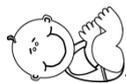

Last term you very kindly contributed to a homework survey for us. Following this review, your class teachers will keep you up to date with how homework will work in each class, but I can let you know that it will consist of : weekly spellings, regular reading, reviewing 99 club (which will come home on a Friday) and a new on-line maths resource called "My maths." This is an excellent programme we are using. We are just in the process of completing its installation, and I will then write to parents as to how it works. I am sure you will love it. In KS 2 children will now be using their reading journals (not reading records) as a record of their reading. These can be completed at home.

This week I am attaching our uniform policy. If you have any questions, please do come and see me.

A reminder, our Macmillan Coffee mornings take place week commencing the 24<sup>th</sup> September where you will have a chance to meet your class teacher further, look inside the classrooms and raise funds for this charity. Any cake donations will be greatly received.

Have a lovely weekend,

Mr Gould
