

Dear Year 3 Parent,

I wanted to drop you a note following our meeting today to confirm the plans for the Young Oaks for the summer term.

As you are aware Mrs. Saxton is currently returning to work on reduced hours which will continue through to the middle of June.

Myself and the governors are very keen that there is continuity for the children for the Summer term. Therefore, I am delighted to say that Mrs. Stone (who the children have been taught by on Mondays since January) will be in charge of the class from Monday to Thursday lunchtime. Mr. Williams will then be in charge of the class for Thursday afternoon and Friday all day.

Both Mrs. Saxton and Mrs. Stone will be holding parents evenings together on Wednesday 26th and Thursday 27th April. (This is a week earlier than originally planned.) Please do sign up on the sheets as usual. If these dates are not suitable please let us know.

Can I thank you for your co-operation and support this year.

The children have been wonderful and we are very excited about "What the Romans will bring" (our new topic) next term.

Best Wishes

Mr. Gould
