Dear Parents,

I have to start this week's newsletter with huge thanks to you all for an amazing Sports Day this week. Not only was the weather superb, the organisation, the teamwork from the children, the community together made it very special. On top of the money raised by the Friends at last week's Summer fayre was £1800, over £400 was made at Sports Day. Thank you to everyone involved - a wonderful effort.

This is a busy newsletter this week, as I try to cram in as much information as I can for the last three weeks of term.

Have a good weekend

Mr. Gould

Monday - tickets go on sale for the Summer show from the covered way at 8:40am. Performances will be on Thursday 19th July at 1:15pm and 6pm and Friday 20th from 9:30am. Initially it will be two tickets per family. As you know Reception children will not be in this year's show but they will be watching it with school. We are hopeful more tickets will be released and I will let you know through the week. I will send out a letter next week to confirm who will be collecting your child for the evening performances but all children apart from Reception are expected to attend.

Monday 9th July - **The Four R's**: We'd like to invite you into school to see your child learning in class. The focus for this session will be looking at how your child learns. Therefore you may see anything from Maths, English, Topic, Reading or other educational activities. Whilst in class please feel free to sit with your child whilst they are solving problems or carrying out other learning activities. The class teacher will have an opportunity to highlight different strategies being used in the class. Positive learning habits is something we are passionate about here at Chacewater School. It is encouraged in every classroom and we hope you will see this in practice when you pop in and then carry on with it at home (if you are already not doing so). We would love for you to come and visit the classrooms from 2.30-3pm. If you would like any additional information on this area please feel free to come and see me or email me directly and I will

happily assist. As always, the children and ourselves are really excited about seeing you in the classroom and we really appreciate these opportunities for you to come in and support us in helping your children. Please sign up in the school office.
