Academy Trust

22 January 2021

Dear Parents,

Congratulations - we are now half way through this half term. Thank you for all the amazing support you are giving your children and the continued feedback. As well as the zoom sessions, the staff are recording lessons for your children to help. I think everyone is getting to grips with Eschools - please remember to check back when you have submitted work so you can see the feedback from your class teacher. I hope you have enjoyed the videos from Lauren our Dance teacher this week. Apologies where we have lost zoom a few times this week - ATMOSPHERICS!

If you need any help with WIFI access or computers please let me know. We have not received the allocation of support from the government yet but do not worry. Thanks to the support of the Parish Council and the loan of computers from Mylor Bridge School we can help. Please contact me on head@chacewaterschool.co.uk.

Stay safe and take care

Mr Gould

School testing - we have had some good news this week, in that school staff are being issued with "Lateral Flow testing Kits." These kits enable staff to test themselves at home to see if they are asymptomatic to the Corona Virus. This exciting development should help to reduce the risk of spreading of the virus. Staff will test themselves at home twice a week. Key worker parents please bear in mind that this may mean short notice bubble closures if staff test positive. Thank you to all those key workers who have adjusted their hours - we really do appreciate it.

Staff News- I am delighted to report that Mrs. Fox will be returning from maternity leave after half term. She will be job sharing in Year 2 with Mrs. Morgan working on a Wednesday, Thursday and Friday. Miss. Hoare will leave Year 2 to work with Year 3 on a Wednesday, Thursday and Friday alongside Mrs. Law for the rest of the year. Mrs. Saxton who has been providing some amazing additional support to Year 3 using the "Catch up funding" from the Government, will return to working with Year 4.
