12 March 2021

Dear Parents/Carers,

What a week it has been. It has been lovely to have the children back to school with us. There has been a really great buzz all around school and we cannot wait till next week.

During the week we have discussed self-belief in assemblies and classes and today we started thinking about hope - with the story of Noah's ark.

Next Friday is Comic Relief and we are going to celebrate this with a non-uniform donation day.

I appreciate this week has been quite hectic with lorries on the school drop off. We are working with the Parish council on this and as you can see the new car park is well underway. A reminder to not drive down the lane at the back of school please and also to not park on the zig zag lines.

As we step back into routines, a reminder that children should be reading still and this being put in their reading records. Homework will be in place for KS 2 from next week (Year 4 started this week). We want to maintain the great momentum we had during the lockdown.

Have a great weekend,

Mr Gould

World Book Day - as you know was during the lockdown. We are sending home the vouchers with your children tonight. Please check bags.

Dates - A reminder we break up for Easter on Thursday 1st April at the normal time. Summer term starts on the 19th April and we break up for Summer on Wednesday 21st July.

Year 6 camp - we have made a provisional booking to Porthpean as parents know. It looks like this may still go ahead. We should have confirmation next week and I will write to Year 6 parents as soon as I know.

COVID 19 - A reminder if your child has any symptoms please contact school as soon as possible and self-isolate whilst you await the results of a test.

Sports Day, Shows and leavers assembly - I am really hopeful that these may go ahead. I have put Monday 19th and Tuesday 20th July as provisional dates for Sports Day (leaving it as late as possible). Leavers Assembly will be the morning of the 21st July.

Pupil Premium/Free School meals - if your child is in receipt of these benefits we can confirm that you will receive £30 of vouchers over the Easter period. There will also be access to activity clubs for free. As soon as we have further details we will share these with you.

Parenting Courses -Please visit this website for some information about parenting courses: https://www.caph.org.uk/web/parenting_courses/548127

Golden Award Winners for this week

Ella-Grace, Jake, Alfie, Esme, Lorna, Alfie, Bailey, Mariah, Leah, Rory, Freya, Noah, William & Bailey.

Study looking for parents and carers in Cornwall who may have been exposed to COVID-19

A COVID-19 antibody study for people who may have been exposed to the new coronavirus (SARS-CoV-2) is now recruiting in the local area.

Mounts Bay Medical is taking part in a clinical research study called the STORM CHASER Study. This study is looking at how safe a combination of two investigational monoclonal antibodies is and if it works for the prevention of COVID-19 in adults.

We are looking for volunteers who are 18 years of age or older, who have been in contact with, or living in the same residence as, someone who is confirmed to be infected with SARS-CoV-2 .

You may be able to take part if you:

- are 18 years of age or older*
- do not have a previously confirmed diagnosis of COVID-19*
- have, in the past 8 days, been in contact with, or living in the same residence as, someone who is confirmed to be infected with SARS-CoV-2 (the virus that causes COVID-19)*

To find out more please go to <https://gb.c19stormchaserstudy.com> or email research@mountsbaymedical.co.uk
