

Dear all,

William's mum (Mel) has emailed me with a terrific idea:

'William is really missing seeing his friends and I wonder if it would be possible to have Skype chats for some of the Red Oaks? As I'm working from home now for the foreseeable future I'd be happy to arrange them if you think anyone would be interested.'

Her email address is mjloguewriter@outlook.com and she has kindly offered to set up a group for anyone that is interested. If you would like to take part please contact Mel via her email.

Best wishes

Mrs James
