

# Chacewater School – LEAP into Learning

Term: Spring 2<sup>nd</sup> half

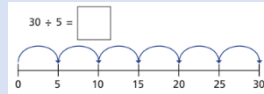

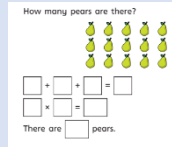

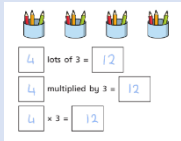

Class: Year 2 (Buds)

Theme: Sowing and Growing

On this page you will find an outline of our learning this half term in Buds

## Maths:

- Multiplication - repeated addition on a number line as formal method
- Division - division as sharing and division as grouping (Y1 recap) - repeated subtraction on a number line as formal method
- Communicative properties of number - multiplication and division and a recap of formal methods of addition and subtraction
- Link back new skills to money and statistics (Graphs and bar charts)

## Science: Plants

- Understand the differences and similarities between plants grown from seeds and bulbs.
- To understand the conditions that seeds require in order to germinate.
- To be able to find out and describe how plants need water, light and a suitable temperature to grow and stay healthy.

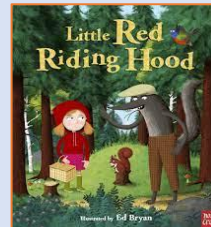

## Art & Design: Painting

The children will create a picture using either tone or tints, referring to the style of Vincent Van Gogh 'Field Under ThunderClouds or El Greco View of Toledo'.

## English:

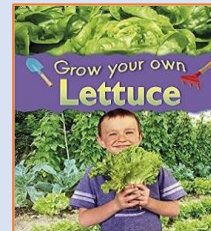

### Traditional Stories – Little Red Riding Hood

- Write own version of Little Red Riding Hood using a range of sentence types punctuated correctly (statement, question, exclamation, command)
- Past and present tense
- Chose verbs carefully to give precise information to the reader.

### Non-fiction - To write a set of instructions with a detailed introduction

- Write a sequence of sentences detailing what needs to be done.
- Use the imperative form of verbs.
- Use prepositional phrases to add detail.
- Use adverbs to give the reader detail and to sequence.
- Use complex sentences to convey detailed information.

**Computing:** We will be working on Pictograms this term, understanding how to interpret data and represent it digitally.

## Religious Education:

This term we will be learning all about Easter and why it is important to Christians.

## RSHE:

This sequence of lessons will be exploring the importance and diversity of families, and healthy, positive family relationships.

## PE:

Outside: Tennis Net Games

Inside: Dynamic and static balance practise, applying these skills in balance circuits

## Music:

We are going to learn how to play the xylophone! We will focus on high and low pitch and how to read the letters to create our very own piece.

## HOME LEARNING

Term: Spring 2<sup>nd</sup> Half

Class: Year 2 (Seedlings)

Theme: Sowing and Growing

Alongside regular reading, spelling and maths home learning choose at least one of the following to complete over this half term. You might even be inspired and choose more than one!

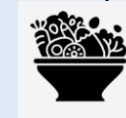

Plant a seed or a bulb and observe how it grows.

Look at paintings by Van Gogh and try painting in the style of him. Did you use tones and tints?

In DT, we will be making healthy salads. What healthy dish can you make at home?

Using this website, listen and read a range of traditional stories.

<https://www.storynory.com/category/fairy-tales/small-stories/>

Make a puppet or stick puppet of a traditional story character.  
Little Red Riding Hood  
Jack from Jack and the Beanstalk

Play tennis or badminton. What skills from our PE lessons can you use?

Can you create an Easter Bonnet?  
Think about how you can link this to our learning in RE about new life

We are learning to play the xylophone. Do you have a favourite simple song or nursery rhyme? If so, can you search on the internet for the music notes for us and we can have a go at playing it in class.

Create a pretend shop in your home or garden - it could even be a mini garden centre! Practise buying and selling some items to your family and working out the change - perhaps you're selling daisies for 5p each. I would like to buy 4!
