

4th November 2022

Dear parents and carers,

It has been great welcoming the children back to school after the half term break. On Monday all of the teachers were involved in an academy trust wide inset day, this was a really useful day and we welcomed the opportunity to share and learn with our colleagues from across the county.

This week the highlight for us was Thursday's history day and I would like to extend a huge thank you to Miss Laskowski for organising this. The opportunity to dress up and immerse ourselves in a day like this is always fun but also allows us to spark real interest and deepen understanding. This term our history focus across the school is exploring aspects of British history and the impact of events on our lives today. As part of the day we looked and discussed how periods of history overlap, how some areas may span less time but still be equally significant and thought about what people might say about our period in history. Each class will be really exploring the concept of chronology this half term and using timelines to help with the understanding of this.

It has also been brilliant to welcome back Mrs Law to school this week. We missed her lots and are glad to have her back in school. Mrs Law will be teaching in the Mighty Oaks on a Thursday and Friday, as well resuming her duties as SENDCO during the rest of the week.

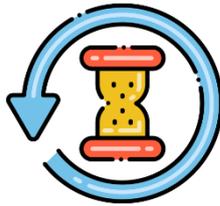

This half term we will continue to have a focus around staying safe online and sharing with the children how they can be 'SMART'. Our November Online Safety Newsletter can be found [here](#) - please do check it out.

I hope you all have a good weekend.

History Day

Choir

The choir with Miss Dyer is thriving and as we approach Christmas we would really like to give something back to our community. With this in mind we would like to visit an older person's care home or similar to offer a performance of some festive songs. If anyone has any links to such a place/similar places within our community then please do let us know so that we can look to organise something.

From the PTA - Upcoming Events

Thank you so much to everyone who made donations to the Bag2School collection this week - you all helped us raise a whopping **£100** for the school!

Y6 Residential

Letters went out before half term for our Year 6 residential in June. We really hope that all of our year 6 children are able to join us for this. We also recognise that the current economic climate and cost of living crisis can make times more financially challenging. If this is the case for you then please do speak to us.
