Caring for others

Spring 1

Animal Allsorts

Art & Design

- Study sculpture, finding out what materials can be used and looking at examples.
- Design and sculpt an animal using salt dough.

Music

Exploring pitch.

RE

Caring for Others

English

- Use a variety of resources to gather information about animals and their features.
- Write information texts
- Use a question mark to punctuate a sentence.

Design & Technology

Focus on textiles.

- Thread a needle, sew a running stitch, cut a template.
- Make an animal hand puppet.
