

8th April 2022

Dear parents and carers,

This term has certainly raced by and we have finished the term with a jam-packed week. Thank you to all of our parents and carers who attended parents' meetings throughout the week, we hope that you found these useful and an opportunity to celebrate how hard your children are working. From speaking to teachers across the school, there are a couple of areas that would be really useful to practice at home if there is an opportunity, these are telling the time and times tables. For telling the time there are useful links [HERE](#) and for times tables all of the children in key stage 2 have a login for Times Tables Rock Stars, additionally I have shared a poster showing the key 21 multiplication facts later in this newsletter.

I was so proud of our year 3 and year 4 footballers on Tuesday who competed in their matches against Truro Prep School with enthusiasm and determination. For many this was their first ever match but you wouldn't have known it, we had dynamic defenders, midfield maestros and amazing attackers!

On Thursday, Seedlings had a very exciting day visiting Trebah gardens. They had a fabulous time, whilst representing the school brilliantly and this was a great way to round off their science learning focus of plants. Buds also had a great time making their own salads, parents might have been amazed at how willing and enthusiastic they were to eat these!

At the end of this week, the whole school was entertained by year 5 and year 6 musicians. This was BRILLIANT – we have so much talent in our school. A huge thank you also goes to Miss Dyer for organising this.

Finally, today we are very sad to be saying good bye to Mrs Fox. She has been a huge part of our school family for many years and we will miss her greatly. However, we wish her every success in her new role and know that she will be amazing in this.

I hope you all have a fabulous Easter break and find time to relax with friends and family.

Mr Hick

New School Meal Menu

Spring / Summer Menu 2022

with **The Greens**

Monday	Tuesday	Wednesday	Thursday	Friday
WEEK 1 – 25/4/22, 16/05/2022, 13/06/2022, 04/07/2022, 25/07/2022, 19/09/2022, 10/10/2022

Look out for the VE symbol on our menu for some lovely veggie options.

Dishes with a vegetarian icon will increase fibre and promote healthy digestion.

Dishes which contain an extra half portion of vegetables. (In addition to the vegetable and salads served as an accompaniment with every meal)

Peas contain at least 1/3 portion of fruit, can be a way to add extra fibre. S.A.D.A.T

SATs Meeting

Thank you to everyone who joined us for the Y6 SATs meeting on Thursday. Several people asked for a copy of the PowerPoint and I have uploaded this to the website under 'news' [HERE](#).

Clubs

No will be no clubs in the first week back after term. We will start new clubs in the second week back and will send out details soon about how to sign up for these. Our intention is to run these clubs for the duration of the whole summer term.

Cross Country

On Sunday 24th April Cornwall Athletic Club are having a 'Spring Warm Up' meeting. There are number of events, including cross country which might be of interest to some of our children. We have shared the details with children in Y3,4,5,6 who have expressed an interest.

PTA Easter Egg Hunt

We are also holding an Easter Egg Hunt during the Easter holidays. On Wednesday 13th April, at the Village Hall and Millennium Green. 2- 5pm.

Grab some friends and come and have some fun. We will be selling refreshments and cakes. There will also be a hamper raffle and guess the name of the bunny.

Tickets must be purchased in advance and are available now via PTA events, £2 a child plus a small booking fee.

<https://www.pta-events.co.uk/chacewaterschoolpta>

We hope to see lots of you there.

Holiday Food Vouchers

Our local authority has once again provided funding to facilitate Free School Meal provision (for those in receipt of benefits related Free School Meals) over the Easter holiday. We will use the WONDE platform as before and they will be issued electronically via email. The vouchers will be valued at £30 per eligible child to cover the holiday period.

Richard Lander Parents Meeting

Lucy Watts will be visiting the school on the 23rd May to speak to the year 6 children who will be transferring to Richard Lander in September. At the of the day there will be a meeting for parents and carers as part of the induction process.

Times Tables

A quick and automatic recall of times tables is key building block for children in mathematics. Regular practice of these with your children really does make a difference and overtime will help to improve their confidence in all areas of mathematics. The Oxford Owl website

[HERE](#) has some really good information, tips and games that are really helpful in helping you to support your children.

Children in key stage 2 also have access to **Times Tables Rockstars** which is great way to practice in a fund way.

If we known the 21 facts highlighted below then we can use these to work out all of our tables.

Times tables: the 21 facts*

1	2	3	4	5
$1 \times 1 = 1$	$2 \times 2 = 4$	$3 \times 3 = 9$	$4 \times 4 = 16$	$5 \times 5 = 25$
$1 \times 2 = 2$	$2 \times 3 = 6$	$3 \times 4 = 12$	$4 \times 5 = 20$	$5 \times 6 = 30$
$1 \times 3 = 3$	$2 \times 4 = 8$	$3 \times 5 = 15$	$4 \times 6 = 24$	$5 \times 7 = 35$
$1 \times 4 = 4$	$2 \times 5 = 10$	$3 \times 6 = 18$	$4 \times 7 = 28$	$5 \times 8 = 40$
$1 \times 5 = 5$	$2 \times 6 = 12$	$3 \times 7 = 21$	$4 \times 8 = 32$	$5 \times 9 = 45$
$1 \times 6 = 6$	$2 \times 7 = 14$	$3 \times 8 = 24$	$4 \times 9 = 36$	
$1 \times 7 = 7$	$2 \times 8 = 16$	$3 \times 9 = 27$		
$1 \times 8 = 8$	$2 \times 9 = 18$			
$1 \times 9 = 9$				

6	7	8	9
$6 \times 6 = 36$	$7 \times 7 = 49$	$8 \times 8 = 64$	$9 \times 9 = 81$
$6 \times 7 = 42$	$7 \times 8 = 56$	$8 \times 9 = 72$	
$6 \times 8 = 48$	$7 \times 9 = 63$		
$6 \times 9 = 54$			

The image shows a grid of 21 multiplication facts. The facts are arranged in two rows. The first row contains facts for tables 1 through 5, and the second row contains facts for tables 6 through 9. Each fact is accompanied by a small illustration of a cartoon animal (a rabbit or a bear) representing the number of items in the multiplication. For example, $3 \times 3 = 9$ is illustrated with 9 small animals arranged in a 3x3 grid.

COVID

From 1st April the guidance surrounding COVID-19 changed. There is no longer an expectation that children are tested and free tests are no longer available. Children and young people who are unwell and have a high temperature should stay at home and avoid contact with other people. They can go back to school when they no longer have a high temperature, and they are well enough to attend.

If a child or young person has a positive COVID-19 test result they should try to stay at home and avoid contact with other people for 3 days after the day they took the test, if they can. After 3 days, if they feel well and do not have a high temperature, the risk of passing the infection on to others is much lower. This is because children and young people tend to be infectious to other people for less time than adults. Children and young people who usually go to school, college or childcare and who live with someone who has a positive COVID-19 test result should continue to attend as normal.

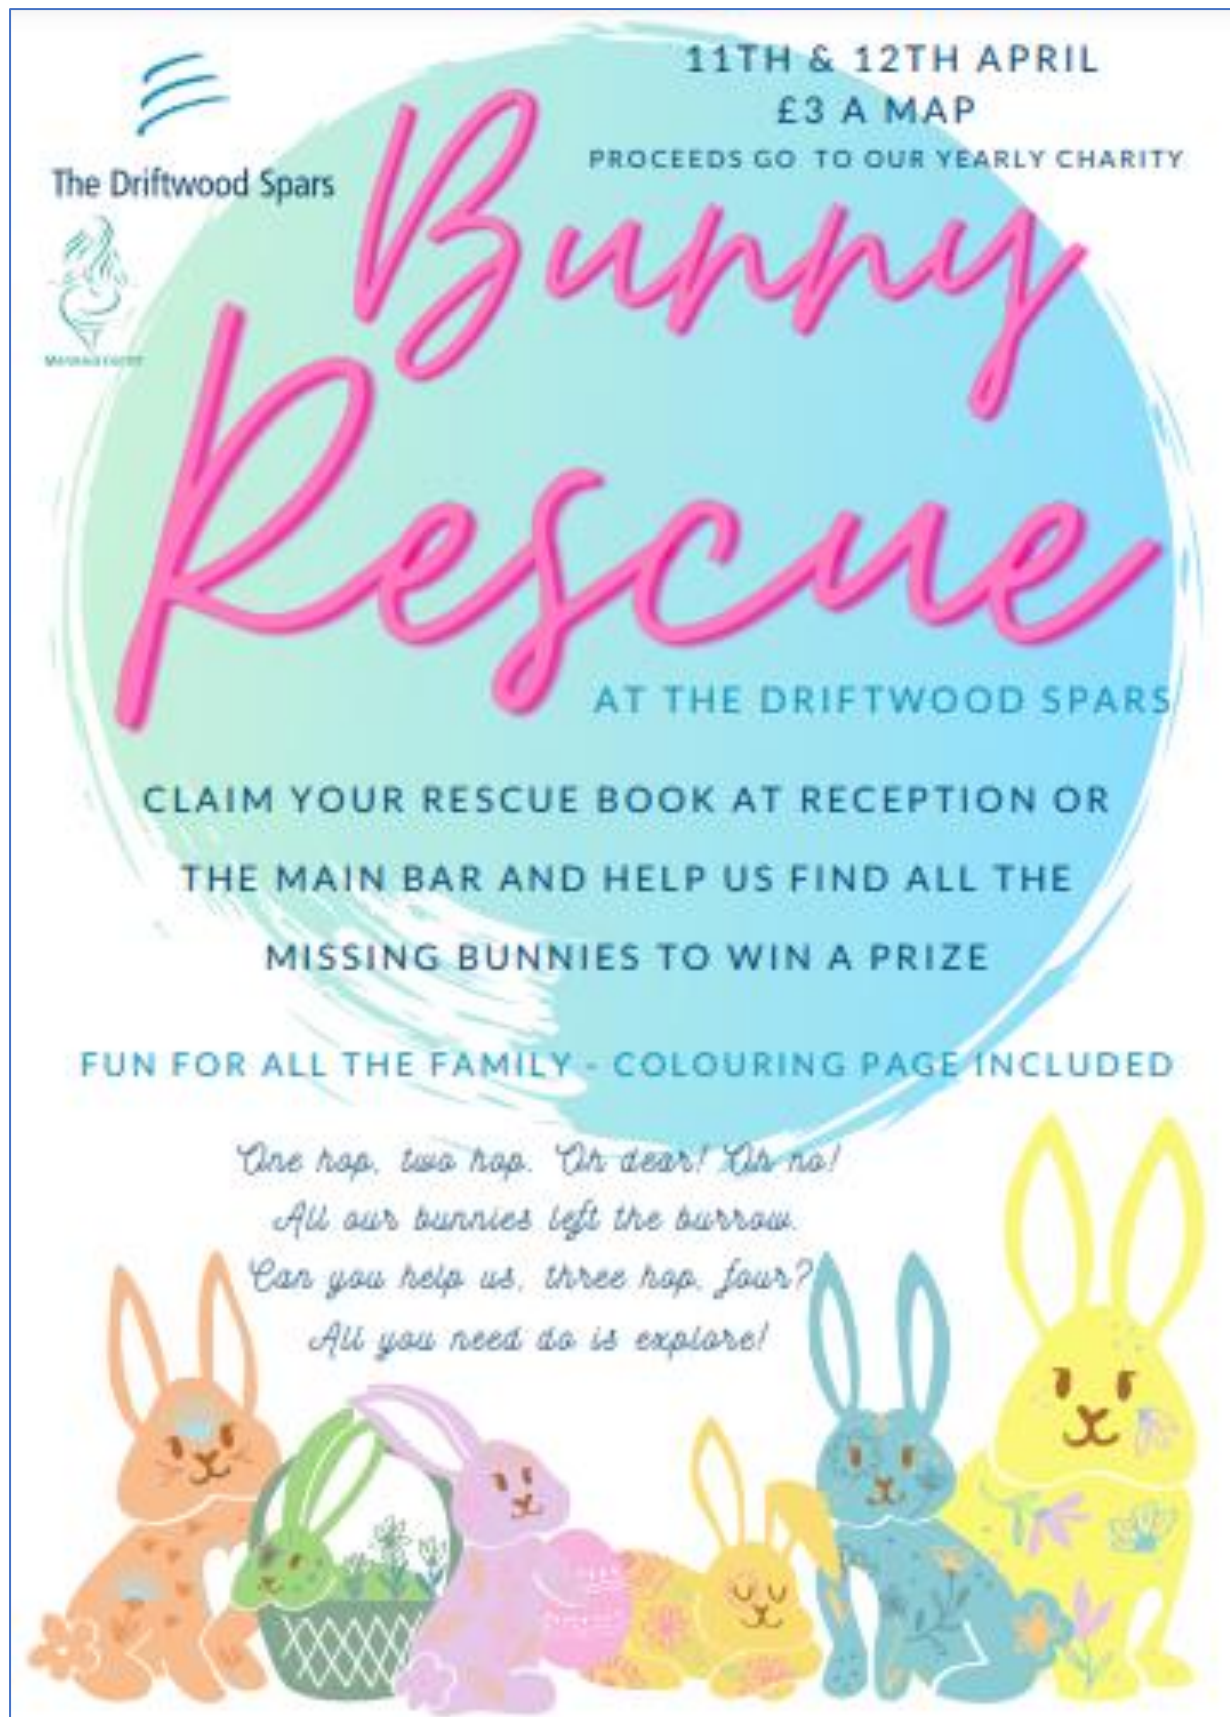

<u>Dates For Your Diary</u>	
8.4.22	End of Spring Term
9.5.22	Year 6 SATs Week
25.4.22	Start of Summer Term
23.5.22	Y6 RLS meeting followed by meeting for parents (3.15pm).
30.5.22 – 3.6.22	Half Term
6.6.22	School closed - lieu of Jubilee Bank Holiday
15.6.22 – 17.6.22	Year 6 Camp
22.7.22	End of Summer Term

All our bunnies left the burrow.
Can you help us, three hop, four?
All you need do is explore!*

RADIO GOES VISUAL

CHBN – Truro's Community and Hospital Broadcasting Network is looking for photographers, designers, artists in any medium to help us with a new fundraiser

CHBN – Truro's Community and Hospital Broadcasting Network – is making an appeal to children from your School to help with a new fundraiser.

This could be a project for the Easter Holidays. Do you love drawing, painting, even taking photos? We want to produce a special calendar for 2023, created by the community.

We shall need 36 pictures, three for each month, which talk about Truro – its buildings, parks and gardens, wildlife, even pets – anything which is part of our Great Little City.

Please send your pictures (with your parents' permission) as a high quality photo attachment to calendar@chbnradio.org with your name, contact details, your age and your school.

The closing date for submissions is **Sunday 8th May 2022.**

RadioTed volunteers with us at CHBN.
He is looking forward to seeing your work.
