

8th July 2022

Dear parents and carers,

This week we have mainly been thinking about change and how this can make us feel. We discussed in our assembly that 'moving on' can bring with it a vast range of different emotions - from feeling excited and happy through to feeling anxious and worried. Looking at different feelings and emotions, we established that they are all perfectly normal and that a change can actually help us grow.

I told the children to be like hermit crabs! They find a shell that fits, and then live in it until they grow too big for it. They leave the too-small shell and rush around the seabed looking for a bigger shell, before something eats them! This process repeats itself several times through the life of the hermit crab. We have tried to take this thought into our 'moving up' days this week. As I visited the classrooms over these days I was really proud of how our children really did embrace this change and were already making brilliant relationships with their new adult teams. It was also great to see so many parents and carers visit the classrooms and new teachers.

We were also really excited to welcome our new Acorns for September to the school. Already, they feel like part of our school community.

As we draw near to the end of another school year, which for some of you means the end of your time at this school, don't just focus on what you're leaving behind.

Think about what you'll be taking with you when you go: hopefully, some good memories. Perhaps you can see that you have gained confidence, self-worth, wisdom and faith for the next challenge ahead.

Learn from what's gone before and move on. Are you ready for bigger things? When it's time to move on, it's because, like for the hermit crab, there's another shell out there that is a better fit for you. However, you can't move into your new shell until you leave your old one.

There's more ahead of you than behind you - the best is yet to come!

This week has also been a phenomenal week for the Mighty Oaks. Many of them attended their induction days at Richard Lander and Penair, while those that had already had these days helped with our transition days. In the middle of this week, they also received their end of Key Stage 2 SATs results. We are absolutely blown away by how well each and every one of them has done and as a cohort their results are incredible. We are very proud of them and of everyone in our school who has played a part in their journey through Chacewater, most recently Mrs James and Mr Williams.

At the time of writing I am preparing myself for time in the stocks at our Summer Fayre! This event takes an immense amount of organisation and we are all very grateful to our wonderful PTA in making this happen.

I hope everyone has a great weekend.

Mr Hick

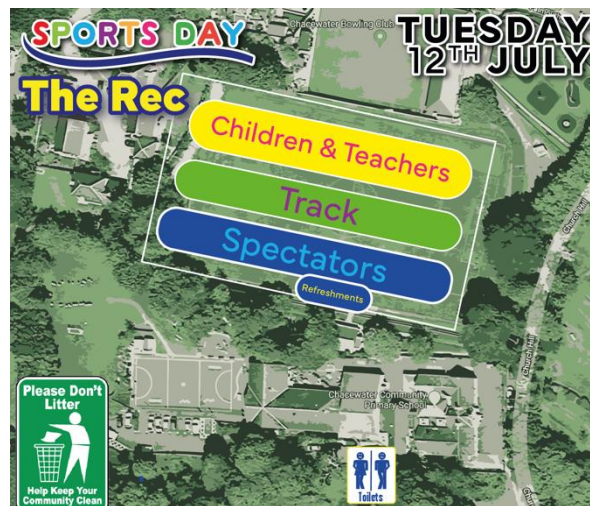

Sports Day

The weather looks like it is going to be very kind to us for sports day on Tuesday next week:

KS1: 10am to 12pm and KS2: 1pm to 3pm.

We warmly welcome families to come and watch your children at the event. You will be able to sit anywhere along the wall or you may prefer to bring your own picnic rugs or chairs to sit on.

Please remain on the spectators side of the recreation field. The PTA will be selling light refreshments throughout the day and the two disabled toilets in school are available for use, situated between the library and the hall.

Photos – if you take any photos then please take care to ensure that you are only including your children and that pictures are not shared on social media. We have children in our school where there can be safeguarding concerns and it is imperative that no risk is taken in the possible sharing of photos.

Year 3 (Young Oaks) and Year 4 (Bur Oaks) Learning Assemblies

Both Young Oaks and Bur Oaks will be hosting an assembly for parents/carers to celebrate some of their learning from this year. These will take place in the school hall, next week, on Wednesday 13th July at 9.15am for Bur Oaks and on Thursday 14th July at 9.15am for Young Oaks. We are only able to accommodate a maximum of two adults per child for these.

These are not performances but a chance for the children to share some snapshots of their learning. Please come into the school through the office for these.

Clubs

Please note that all clubs have now finished and will not be taking place over the next two weeks.

Year 5/6 Show and Leavers Assembly

Rehearsals are now busily underway and the school is awash with song and dance. The children have been designing posters to advertise this and also designs for tickets. Tickets have been made available to parents/carers of children in

Y5 and Y6. We may have a small number of additional tickets available now and will give details next week for families that might want an additional ticket or two.

The performances will take place on 21st July at 1.30pm and 6pm.

Leavers assembly for the Mighty Oaks will take place at 2pm on the 22nd July in the school hall.

Disco

Our disco will be on 15th July. There will be key stage 1 disco (5pm to 6pm) and this will be followed by key stage 2 and 'leavers' disco (6.15pm to 7.15pm). We will be welcoming our Y6 children earlier at 5.45pm for a red carpet event!

The children will sit in their classes at the end of these and you will be able to come into the hall to collect.

Tickets are now on sale at

<https://www.pta-events.co.uk/chacewaterschoolpta>

Priced at £5 with all platform fees/booking fees included.

Please select the right event on the left of the page as there are separate tickets for KS1, KS2 and year 6 pupils. (Year 6 pupils do not pay for this disco as it is their leavers disco)

National Baking Competition Run by Trewithen Dairy - This might appeal to some people!

The competition is open for bakers of all ages to show off their skill and enthusiasm with a bake to complete the perfect afternoon tea.

Running from 1st - 22nd July 2022, bakers simply have to send photos of their creations, to be in with the chance of winning. With prestigious judges and an exciting array of prizes, this retro baking challenge is set to be even bigger and better than last year.

Summer Activities for Kids - Please [click here](#) for more information.

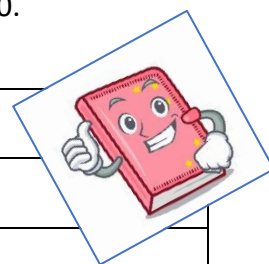

This is a great way of looking at local sports and activities for children during the summer!

Online Safety

This is rightly becoming a bigger part of our curriculum. It is really hard to keep up to date with the changes in technology and the different platforms that our children could have access to. With this in mind each month we will be sharing an online safety newsletter which provides up to date information, resources and useful links. These can be found on our website [HERE](#).

Meal Prices

Autograph will be increasing school meal prices from September 2022 to £2.40.

Can you help save 1st Chacewater Rainbows, Brownies and Guides?

The 1st Chacewater Rainbows, Brownies and Guides are at risk of closing due to low numbers and we would like to see if we can raise the numbers for each of the groups.

We are also seeking new volunteers to help at 1st Chacewater Rainbows, Brownies and Guides. Being a volunteer is an interesting and rewarding role and is a way in which we can help to support today's young people. Finally, just to say that you do not need any previous experience to become a volunteer as the training is provided.
