

Chacewater School – LEAP Into Learning – Summer 1– Seedlings

GEOGRAPHY: continents, oceans, compass, weather patterns

?

What I might already know: I might already know that we live in Europe.

?

What we will be learning:

We'll learn the names of the 7 continents and 5 oceans and compare where we live with the Arctic. We'll begin to learn about compass directions

There are hot and cold places in the world

A compass shows North, South, East and West.

The weather is different across the globe and across the year.

Key Vocabulary:

- Equator, North Pole, South Pole
- Continent (Europe, N.America, S.America, Africa, Asia, Australasia, Antarctica)
- Ocean (Atlantic, Pacific, Indian, Arctic, Southern)
- Compass (North, South, East, West)
- Season
- Weather patterns
- Hemisphere

Key Questions

Where do I live in the world?
What's it like in other places of the world
