Dear Parents/Carers,

Well we have made it! What a term! Thank you again for all your support. It has been wonderful to be back for these few weeks and we are looking forward to a good break and then hopefully a full run at the Summer term.

Please do try and keep going with the reading over the Easter break and times tables. We have just completed assessments this week and now have a very clear picture of where we are following the lockdown. Parent appointments will take place the last week before half term so we will be able to update you on the progress the children are making.

Finally, please do contact me over Easter if you are affected by Corona Virus - particularly in the first week of the break. [head@chacewaterschool.co.uk](mailto:head@chacewaterschool.co.uk)

Have a lovely Easter break,

Mr Gould

**After school clubs** - we are aiming to offer some clubs for after Easter. I will write to parents with the full offering in the first week back and they will start in Week 2. Due to operating in bubbles these will be class specific so please bear with us. We may not be able to offer as many as we usually do, but we are aiming to do our very best.

**Friends** - thank you to the Friends who have continued to organise some gifts for Easter. As ever we are very grateful.

**Staffing news** - we welcome back Mr Hanns our student teacher in Year 4 after the break. We also welcome Mrs. Kelly Jacobs who joins us for half a term as a student teacher in Year 1.

**Parking and drop off** - as you can see the car park is really cracking on. Plans for drop off and collection will stay the same for the start of next term until the car park is complete where we will then introduce new systems.

Have a go at our..

# Easter Trail

Follow the trail of eggs and explore the story of Easter together.

10 large eggs are to be found somewhere round the village in the school holidays. If you are planning a family walk add purpose and enjoyment to your exercise!!

The first is on the grass above the village carpark and all are on the school side of the main road so no crossing is required
