

## Chacewater School Special Educational Needs and Disability (SEND) Information Report (including Local Offer) 2021-22

### Aims and Objectives

The governing body and Staff will do their best to ensure that the necessary provision is made for any pupil who has special educational needs and ensure that, where the head teacher or the appropriate governor has been informed by the LEA that a pupil has special educational needs, that these needs will be made known to all who are likely to work with them.

The staff and governors of the school are aware of the importance of identifying and providing for those pupils who have special educational needs, and those who are higher attaining.

The Head teacher, staff and governors will draw up and report annually on the policy and effectiveness of the school's work for pupils with special educational needs.

The staff will ensure that pupils with special educational needs join in the activities of the school together with pupils who do not have special educational needs, so far as that is practical and compatible with the pupil receiving the necessary provision, the efficient education of other children in the school and the efficient use of resources.

The responsible person for SEND is Mrs Callie Fox

## 10. What training have school staff had to support children with SEND?

Selected members of school staff have been on the following training and their expertise in these areas is then used to support children as needed:

- Speech and Language
- Hearing impairment: Teaching Hearing Impaired Pupils and Students
- Visual Impairment training
- ASD: Autistic friendly Classroom
- TIS intervention
- First Aid training
- Positive Behaviour Management: Team Teach
- Phonological Awareness
- Draw and Talk
- Lego Therapy
- Working Memory
- Movement and Handling
- Gastronomy Button Device Feeding
- Epilepsy Awareness

If in the future a child is enrolled with SEND that we have not dealt with in the past, or have not had training for, we will always seek professional advice and training from outside agencies to make sure all staff have the skills needed to work with the child.

## 11. Services and organisations that we work with:

<b>Service/organisation</b>	<b>What they do in brief</b>
<p><b>Speech and Language Therapy Team</b> (Tessa Walsh)</p>	<p>The Speech and Language Therapy Service supports children and young people in Cornwall aged 0-19 years who have difficulties with communication, or with eating, drinking and swallowing. SLTs aim to help to develop the skills of parents/carers and school staff who support the child in their everyday environments. They then provide therapy for some children and set goal summaries for the school. Teaching assistants in the school work with children to achieve these goals.</p>
<p><b>Educational Psychology Service</b> (Kimberly Boddy/Charlotte Burrell)</p>	<p>Educational Psychologists are specialists in learning, emotional well-being and child development. They work directly or indirectly with children and also provide advice to their parents and other adults who teach and support them. In Cornwall, Educational Psychologists (EPs) work as part of the Children's Psychology Service. They advise us on strategies to help the child overcome their barriers to learning. If necessary, they advise us to apply for statutory assessment for an Education and Health Care Plan (EHCP). Speech</p>
<p><b>Vision Support Team</b></p>	<p>The Vision Support Team provide specialist support available for children and young people with diagnosed visual impairment in homes and schools. Children who have been diagnosed with specific visual impairment are seen in school by a teacher from the Vision Support Service. The school is also given advice regarding classroom strategies and supplied with assistive technologies.</p>

<p><b>Hearing Support Team</b></p>	<p>The Hearing Support Team provides specialist support for children affected by educationally significant hearing loss.</p> <p>They provides advice on the educational management of hearing loss where this impacts significantly on the child or young person's education. Qualified Teachers of the Deaf visit children at home or in their school setting to undertake educational audiological assessments, observe and work with the individual, liaise with the parents and relevant staff in order to identify that individual's educational needs related to their hearing loss and provide advice or direct support as appropriate.</p>
<p><b>Autistic Spectrum Condition</b></p>	<p>The Autism Spectrum Disorder Assessment Team (ASDAT) is an experienced multidisciplinary team for children and young people up to their 16th birthday who have complex social and communication difficulties. They are made up of the following disciplines: Child &amp; Adolescent Psychiatry, Community Paediatrics, Clinical Psychology, Occupational Therapy, Speech &amp; Language Therapy with support from an administrator and a clinical team manager.</p>
<p><b>CAMHS (Children and Adolescent Mental Health Services)</b></p>	<p>Specialist community child and adolescent mental health services (CAMHS) provide assessment, advice and</p>

	<p>treatment for children and young people with severe and complex mental health problems. CAMHS also provide support and advice to their families or carers.</p> <p>Services are usually multi-disciplinary teams of mental health professionals providing a range of interventions in the community, working with schools, social care, charities, voluntary and community groups. Children who might need a diagnosis for ADHD are referred to CAMHS (Child and Adolescent Mental Health Service).</p>
--	---

<p><b>School Nurse</b></p>	<p>School nurses are qualified and registered <u>nurses</u> or <u>midwives</u> who support children and young people in making healthy lifestyle choices, enabling them to reach their full potential and enjoy life. School nurses work across education and health, providing a link between school, home and the community. Their aim is improve the health and wellbeing of children and young people. They work with families and young people from five to nineteen and are usually linked to a school or group of schools.</p>
<p><b>Educational Welfare Officer</b></p>	<p>The Education Welfare Service can also offer support and help to pupils, parents (or carers) and schools who may be having problems with attendance whether this is low attendance or persistent absences. Parents are invited in to school to discuss concerns the school has regarding their child's attendance. These meetings as used an opportunity to find out if there are actions that can be put in place to support the family.</p>
<p><b>Cognition and Learning Team</b></p>	<p>This service supports schools in ensuring the effective inclusion, achievement and progression of children and young people with cognition and learning needs. We test for dyslexia in school and then put targeted intervention and support in place. If a child is still not making expected progress, they are referred to the Cognition and Learning Service for additional advice.</p>
<p><b>Early Help Hub</b></p>	<p>Most of the services above are accessed via the Early Help Hub who triage the information we provide and then ensure we are put in contact with the correct professional service.</p>

## 12. If you wish to complain

In the unlikely event that you have a complaint to make about the SEND provision in our school please contact the class teacher in the first instance. If you feel they have not been able to resolve your complaint please contact the SENDCo or Head Teacher.

## Answers to Frequently asked Questions

1 How does your school know if children need extra help and what should I do if I think my child may have special educational needs?

We use a variety of assessment strategies which are monitored half termly to ensure the progress of all children. If your child is not making progress then further investigative measures will take place. The school has an open door policy so any educational issues can be aired at any time with staff.

2. Who is responsible for the progress and success of my child in school?

The overall responsibility for your child's success lies with the head teacher and governing body, being supported by class teachers, teaching assistants, yourselves and your child.

3. How will the curriculum be matched to my child's needs?

Chacewater School has an inclusive ethos and aims to provide a broad and balanced curriculum which meets the interests and imagination of all children. Children who are identified as needing Special Support will have an individual plan which outlines how the curriculum is made accessible to them. All children in the school access differentiated lessons to match their needs as individual learners.

4. How will Chacewater school staff support my child?

Chacewater staff support all children to reach their full potential through differentiated teaching, individual targets, targeted interventions and pastoral care. School staff, including the teachers, Head Teacher and SENDCo are available to parents for the discussion of individual needs where needed.

5. How will I know how my child is doing and how will you help me to support my child's learning?

The school works in partnership with all parents and carers. Parents and carers attend progress review meetings twice a year and a formal report is sent home at the end of the year.

6. What support will there be for my child's overall wellbeing?

The school ethos is 'Caring and Learning Together'. This encompasses the whole of the school community.

7. How do I know that my child is safe in school?

Risk assessments and safety policies are in place to ensure all children are safe within the school. Individual governors have responsibility for health and safety, and safeguarding. A safeguarding group made up of the Head teacher, School Council members and parent representative meet termly.

8. What SEND training have the staff at school had or are having?

All staff have undertaken Makaton training, Autism Awareness Level 1, Dyslexia Training and the school has been awarded the Inclusive Dyslexia Friendly Schools Award.

9. How will my child be included in activities outside the classroom including school trips? Provision is made for all children to take part in all learning activities.

10. How are the school's resources allocated and matched to children's special educational needs?

Appropriate resources are available in all classrooms to help all children. Interventions are tracked and monitored half-termly alongside pupil progress data meetings. Staff and parents will create a child-focused plan, detailing the provision and targets needed to make progress when appropriate.

11. Who can I contact for further information?

You can contact us at school Telephone number 01872 560302

SENDIASS Telephone number 01736 751921 [www.cornwallsendiass.org.uk/](http://www.cornwallsendiass.org.uk/)

12. What should I do if I feel that the Local Offer is not being delivered or is not meeting your child's needs?

Contact us at school, but if you feel your need is still not being met please refer to our complaints policy.

13. How is your local offer reviewed?

We review our local offer yearly, or at a time where individuals needs necessitate.
