Dear Parents/Carers

This week has certainly been jam packed with activity!

On Tuesday we were delighted to leave the school for the afternoon as we headed up to the church for our Harvest celebrations. This may have only been a few metres up the road but for our youngest children this certainly was a big adventure. I was so proud of all of the children - speaking or singing in front of a large group of people and in a different setting really can take a lot of bravery. Thank you to everyone, who was able to attend and support our children so brilliantly. Also, a big thank you for everyone's generosity in donating something for Truro Foodbank – all of the goods collected have now been passed on to the Foodbank and they are very grateful for this.

All week in school, we have been thinking more than ever about being kind, as part of kindness week. Our children have shown lots of ways that they can be kind but to be honest this isn't unusual for them. Well done everyone!

On Wednesday we were delighted to welcome Mr Brown to our school to lead a fantastic first aid training session for the Mighty Oaks. This ranged from learning how to deal with minor bumps and scratches, all the way through to CPR.

Thank you to everyone who attended parent meetings this week. I hope that you found them useful. Working in partnership together is crucial to ensuring that all of our children progress well. **Next week, please remember that it is a shorter week for the children and the last day of school for them will be on Thursday. The first day back at school for the children, after half term, is Tuesday 5<sup>th</sup> November.**

As always, I hope you all have a great weekend.

Mr Hick

Applying for a place in  
a reception class for  
children born between  
1 September 2020 and  
31 August 2021

### Attending a nursery or pre-school

You will need to apply even if your child attends a school's nursery or pre-school class. Please note that if a school is oversubscribed the fact that a child attends a school's nursery or pre-school, or a local nursery or pre-school, does not automatically guarantee a place at that school. The school's oversubscription criteria will be used to allocate places. Visit our website or contact us for more information.
