

13th December 2024

Dear parents/carers

A very exciting week this week with plenty going on!

We started the week with a bang on Monday when we had a whole day focused on history. It was brilliant to see so many people dressed up in the period of time they were learning about and how excited everyone was to get learning. Miss Laskowski led a fantastic assembly for us where we explored the ideas of chronology and significance with the children.

On Wednesday we came together for our Christmas lunch and Christmas jumper day. We had lots of smiling faces and clean plates! A big thank you to Lyn, Sandra and Jess in the kitchen for working so hard to pull it all together.

Yesterday, Red Oaks had a geography field trip into Truro and spent time looking at some of the key features of our nearest city. It might only be six miles away from us but it still felt like a little adventure to be out of school for part of the morning. The children used the learning from the morning to create their own hybrid maps of the city.

Finally, this afternoon we have had our BRILLIANT afternoon and split across the classes to have a Christmas craft afternoon. Thank you as always to the awesome PTA volunteers in helping and making this happen.

Next week we are looking forward to lots of nativities and singing!

Have a great weekend.
