

5th May 2023

Although a shorter week for us, the school has been the same hive of activity that it always is! We have enjoyed some sunshine (although it quickly disappeared) and loved being able to get outside to maximise this; from incredible outdoor learning in Acorns through to Young Oaks visiting the Community Garden.

This week we have been thinking about the coronation of King Charles III in both our key stage 1 and key stage 2 assemblies. This is a big historical occasion and it has been brilliant to be able to make links to the coronation of Queen Elizabeth II - focusing on the similarities and differences between these two occasions. This afternoon we are looking forward to welcoming parents and carers into school to join with some of these celebrations. Thank you to the PTA for their help with this.

On Tuesday we were pleased to be able to welcome one of our school improvement partners to school, Isabel Stephens, to explore our approach to the curriculum. In particular we focused on art and our plans to develop this subject further. Miss Lahera, our art subject lead, has some great plans to improve teaching and learning in this area and in particular our use of sketch books. We look forward to being able to share more of this with you soon.

Wednesday saw a visit by the RNLI to talk to our key stage 2 children about beach safety. As always, this session was great fun and very informative. Hopefully there will be better weather ahead again soon, so that we feel like going to the beach!

Next week Mighty Oaks will be sitting their SATs test. They have blown us away with their incredible attitude and I know they will smash these tests! Good Luck Y6 and remember no matter what, we are very proud of you.

Have a great weekend and remember that we will see you on Tuesday and not Monday!
